Credit Attendance Guidelines

The Administration and Faculty at TFS High School are dedicated to the following:

1. Providing a structure where students can gain the maximum benefits of education and increasing academic success;
2. Providing an intervention process to assist students and their families in improving attendance;
3. Developing good attendance habits;
4. Preparing students for future life by promoting responsibility; and
5. Promoting the safety of our students by expecting them to conform with overall accepted standards of respectable and moral behavior, in general, and courtesy of the interactive spoken language, in particular;
6. Enforcing a dress code that ensures personal dignity of student and school safety; as such students may not show up in school in midriff tops, sheer clothing, tops with low cut in front or back, and shorts that are undersized and revealing; and
7. Fostering respectful relationships among students, teachers and staff.

- Family vacation that has not been pre- approved,
- Activities not related to school that take place while school is in session,
- Truancy/cutting class,
- Late to class- 3 unexcused late to class= 1 class absence,

Non-Collective Absences (are absences that do not impact the earning of course credit.)

The following absences will not impact the earning of course credit:

- Pre-Approved absences.
